FULL OFFER TERMS

Account Opening Period: April 1, 2026, through August 31, 2026

Reward Period: April 1, 2026, through November 30, 2026

ELIGIBILITY

Clients with an existing Star Plus Checking Account as of March 31, 2026, are not eligible. Clients who close a Star Plus Checking Account at any time during the Account Opening Period (April 1, 2026, through August 31, 2026) are not eligible to reopen an account to qualify for this offer. The Star Plus Checking Account must remain in an open and active status throughout the statement period. If the Star Plus Checking Account is closed during the Reward Period for any reason, it will no longer be eligible for the offer and clients may not requalify by opening a new account. If an account remains unfunded for 25 business days, we reserve the right to close that account.

BONUS PAYOUT DETAILS

Welcome Bonus: Qualifying participants will receive a one-time $50 Welcome Bonus paid to their Star Plus Checking Account at the close of the statement period when required activities are completed within the Reward Period.

Multiple deposits may be made within the statement period to meet the required amount. Qualifying deposits include direct deposit transfers, external bank ACH deposits, in-branch teller cash or check deposits, mobile check deposits and incoming wire transfers. ATM cash or check deposits, micro-deposits, internal transfers and peer-to-peer (P2P) payments (such as Zelle®, Venmo, PayPal or other P2P platforms) do not qualify.

Activity Bonus: Qualifying participants will receive a $50 Activity Bonus paid to their Star Plus Checking Account at the close of each monthly statement period when all qualifying activities are met. Participants can receive a maximum of three (3) Activity Bonus payments, totaling $150 during the Reward Period. If qualifying activities are not met during a statement period, your account will not qualify for the Activity Bonus during that period. However, you will be eligible to receive the Activity Bonus during the remainder of the Reward Period by completing qualifying activities.

Qualifying debit card purchases must be posted to the account by the close of the statement period to qualify. Debit card money transfers, ATM transactions and peer-to-peer (P2P) payments (such as Zelle®, Venmo, PayPal or other P2P platforms) do not qualify.

MONTHLY AVERAGE BALANCE CALCULATION

The Monthly Average Balance is calculated by adding the end-of-day posted balance and dividing that sum by the total number of calendar days within the statement period. For new accounts, we only count the number of days that the account was open during the applicable statement period.

For example, if your statement period is 30 days and your end-of-day balances are $20,000 for the first 10 days, $25,000 for the next 10 days and $30,000 for the last 10 days, you would add all daily balances together and divide by 30, the number of days in the statement period. In this example, your monthly average balance would be $25,000.
